Chairman, [WCIT 2008](#)

As a one-stop agency, Multimedia Development Corporation (MDeC) has been established to facilitate the development of Malaysia's national ICT project called the Multimedia Super Corridor Malaysia (MSC Malaysia) and to expedite the entry of investors into the MSC. MDeC is also empowered to grant MSC Status to companies wishing to locate their operations in the MSC.

Mr. Badlisham Ghazali is the new Chief Executive Officer of the Multimedia Development Corporation (MDeC). He is responsible for providing the leadership to drive the MDeC as a high performance organization tasked with translating the MSC Malaysia vision into action. He brings to MDeC more than 18 years of IT industry experience, having held various senior management positions at Hewlett-Packard.
