Certified Business Continuity Professional (DRII No: 2369)

Prabha Ramanathan has been a Certified Business Continuity Professional with the Disaster Recovery Institute International (DRII) for the past 6.5 years. He has been involved in this discipline for the past 15 years. During this time he has developed numerous recovery plans and carried out various disaster simulation exercises. His expertise covers the whole spectrum of BCP, which includes designing, developing, implementing, educating and testing business continuity and disaster recovery programs for local and foreign organisations.

Prabha is the Managing Director of BKI Professional Services, a business continuity consulting company incorporated in Malaysia. He operates within the Asia having provided his services in Saudi Arabia, Bahrain, Thailand, Singapore and Brunei.

Prabha is actively involved in the pursuit of raising the awareness and standard of practice of Business Continuity Planning in Malaysia and the Asia Pacific Region. He is the Chairperson for SIRIM's working group established to develop Business Continuity Management standards for Malaysia. He recently represented Malaysia in the Regional Asia Information Security Standards Forum in Korea and have been entrusted to develop BCM Implementation Guidelines for the AP Region.
