

**Siva BELASAMY**  
**eTrust Evangelist**  
**CA Technology Services, Asia South**  
**Computer Associates International, Inc.**

Siva Belasamy is CA's eTrust evangelist, Asia South, at Computer Associates International, Inc. (NYSE:CA). CA is the fourth largest independent software vendor and delivers software and services that enable organizations to manage their IT environments. Focus areas include network and systems management, storage and security management, portal and business intelligence, and application life cycle management.

Siva joined CA in 1999, and was actively involved in consultation and implementation for Systems and Infrastructure Management as well as Security Management projects in various key accounts across industries.

With his focus in CA's eTrust suite of security solutions, he is currently responsible for expanding the market for CA's eTrust Security solutions for Asia South. With the last four years spent in Computer Associates, he provides professional services in IT security projects as an Architect, Security Assessment, Training and implementation. His clients include telecommunications, financial institutions, government agencies and health care.

Siva holds a Bachelor of Science degree in Computer Science and he is a CISA and CISSP certified.
